## SOUTH AFRICAN AGENTS/RESELLERS

We are looking for agents to market the Prodial product to professionals and corporate businesses around the country. We will consider companies and/or individuals who are currently involved in the telecommunications industries as well as individuals or companies who offer value added services and would like to expand on their product range. Companies with a national footprint of retail stores in the telecommunications industry will also be considered.

Contact: [andrew@prodial.co.za](mailto:andrew@prodial.co.za)

## GLOBAL PARTNERS

We would like to hear from potential global partners with the view of interconnecting the Prodial network globally. Telecommunications companies involved or have access to a voip network/PBX who are interested marketing the Prodial model in their country.
